LANGUAGES

Spanish Level: C2-Native.

English Level: C2.

Portuguese Level: B1.

Italian: A1.

SKILLS

Soft: Creativity; Communication; Empathy; Emotional Intelligence; Adaptability; Proactive; Critical Thinking; Teamwork.

Technical: HTML; CSS (TailwindCSS); Javascript (ES6), (React, Redux, Node); SQL (MySQL); NoSQL (MongoDB); Python (Flask); Java (SpringBoot).

PROJECTS

Currently working on *Bienestar Plus*, a full-stack web application designed to promote physical, emotional, and mental well-being. Built with Angular and supported by Agile methodologies (Scrum).

ABOUT ME

Software Developer with a solid foundation in full-stack web development and a passion for clean, scalable code. Currently pursuing a Bachelor's in Software Development at ISPC, with prior graduation from the Full-Stack Web Developer program at UTN-BA. I also hold an Associate's degree with a focus on Python.

My background in Arts and Literature sharpens my creative approach to problem-solving and communication. I thrive in collaborative, learning-driven environments and bring enthusiasm and empathy to every team I join.

EDUCATION
