EXPERIENCE

Freelance Full-Stack Developer | Remote | Jan 2025 – Present

- **Delivered over 5 full-stack solutions utilizing React, Angular, Node.js, and SQL/NoSQL databases.**
- **Built responsive interfaces, optimized API performance, and integrated third-party services.**
- **Applied architectural fundamentals such as modularity, clean code, and KISS principles.**

PROJECTS

Bienestar Plus – Healthy Habits Web Application | ISPC Project | 2025 - Present

- **Developed a full-stack web application focused on promoting healthy habits and mental well-being.**
- **Implemented the frontend in Angular with RxJS and TypeScript, integrating task lists, progress bars, notifications, and reminders (DRF Channels + Daphne).**
- **Coordinated the team as Scrum Master during development phases following mockup designs.**
- **Designed a modular architecture aligned with the requirements traceability matrix.**
- **Stack: Angular, Django REST Framework, PostgreSQL, Docker, TypeScript, CSS3, Playwright**

.

IoT Climate Monitoring System | ISPC Project | 2024

- **Led a 4-person team as lead developer to build a real-time environmental IoT monitoring system.**

- **Designed a React.js dashboard with Chart.js to visualize over 100 readings per second from Wokwi simulations.**
- **Built the backend API with Node.js and Supabase (PostgreSQL), achieving 99.8% data availability.**
- **Optimized backend performance by 40% through indexed queries and refactored data models.**

Bookstore Web Platform (Full Stack MERN) | UTN-BA Final Project

- **Developed a full-stack bookstore application featuring complete CRUD operations, JWT authentication, and dynamic filtering.**
- **Stack: React, Node.js, MongoDB, Express, Redux.**

EDUCATION

Instituto Superior Politécnico de Córdoba (ISPC)
Higher Technician in Software Development | GPA: 9/10 | JAN 2024 – DEC 2026

- **Intermediate certification obtained: Junior Full-Stack Developer**

National University of Technology (UTN-BA)
Full-Stack Web Development Diploma | GPA: 10/10 | 2024

CERTIFICATIONS

- **EF SET English Certificate – C2 Proficient | 2024**
- **Cambridge FCE – B2 | 2008**
- **Oracle ONE – Java & Spring Boot | 2025**
- **Harvard CS50x – C Programming & Algorithms | 2024**
